S 600	Continued From page 1 This REQUIREMENT is not met as evidenced by: The facility reported a census of 41 residents. Based on observation and interview, the facility failed to retain the services of a full time certified dietary manager to oversee the dietary department to ensure the facility stored, prepared and served food under sanitary conditions for the residents of the facility. Findings included: - Interview on the initial tour of the kitchen, on 10/23/2017 at 9:10 AM, Dietary Staff I advised he/she was currently enrolled in classes, however, at that time, he/she lacked certification as a dietary manager. Staff I further advised the facility did not have a certified dietary manager, at that time, but had a registered dietitian that comes to the facility monthly. The facility failed to employ a full time certified dietary manager to oversee the dietary department to ensure the facility stored, prepared, and served food under sanitary conditions for the residents of the facility.
