S9999	Continued From page 1 each resident room lacked a notice posted in a conspicuous place stating the rooms of some residents may be monitored electronically by or on behalf of the room's resident or residents. Observation of R5's room revealed the room was located in the northeast corner of the home. The entry door to the room faced southwest. Inside the door on the south wall located next to the entrance door to the room was a small surveillance camera that was pointed at the resident's bed located in the northwest corner of the room. On 10/21/26 at approximately 02:45 PM Operator A confirmed the home lacked postings at the entrance of the home and at each resident's room stating the rooms of some residents may be monitored electronically by or on behalf of the room's resident or residents. For all residents, the home failed to post a conspicuous notice at the entrance to the adult care home and each resident's room stating that the rooms of some residents may be monitored electronically by or on behalf of the room's resident or residents	S9999
